

OUR JUNE *Crawford Perspectives* LETTER SUGGESTED THE BREXIT MIGHT BE LIKELY

“JUN 22-23=Mercury squares Jupiter, 150 to Pluto overnight. More potential bad news as irritating aspects rule the sky patterns. Brexit?! Likely?”

And on page one, we wrote: “Back to sum up market activity = incomprehensible!

It appears to us that the ‘powers that be’ are desperately trying to hold things together with ‘masking’ tape and bailing wire until...

Until WHAT? Until Goldman gets their clients short? Until that which is hidden can no longer be hidden? Until World War III?

Until the aliens land? Until the Antichrist takes over? Until the Sun explodes? Guess we’ll know shortly after they all go into their deep bunkers!”

Now, it looks like it was ‘Until the Brexit vote, judging by results!

The S&P500 E-MINI contract was off about -107 around 12:30 am EDT last night.

The Dow Jones Industrial Average futures were down about -730.

GOLD hit a high of 1362.60 up about +\$103

We wrote that the market typically begins a bounce-back attempt around 5 AM.

But much technical damage has been done and we would have to wait and see

If markets would continue down right away or not.

JULY looks very difficult from the astronomic perspective,

With especially dangerous emotional period around the July 4 weekend.

We continue on DANGER/ALERT status through year-end.
